Ex-ante publicity notice in negotiated procurement procedure

Subject: "EARS-Net: Support to AMR surveillance" - NP/2018/OCS/9116

Short description

The purpose of this project is to provide ECDC with technical and scientific support to the coordination of the European Antimicrobial Resistance Surveillance Network (EARS-Net) including its further developments and to provide scientific and technical advice needed to conduct state-of-the-art analysis of antimicrobial resistance data.

Description of the procedure:

This ex-ante publicity is the first stage of a negotiated procurement procedure below 60,000 with a minimum of 3 candidates, through which ECDC may award the above-mentioned contract.

All economic operators interested in providing the services described above should express their interest before 5/02/2018, 16h00 CET, by e-mail to tenders@ecdc.europa.eu with the same subject reference as indicated above.

In their expression of interest interested economic operators should demonstrate their ability to provide the relevant services and provide the following information:

- Name
- Address
- Contact person
- E-mail
- Description of main area of business/expertise (max 500 words)

This information will be taken into account by ECDC in order to identify potential candidates.

The Request for Offers and related documents will be provided by e-mail only to the identified candidates.

Please note that ECDC reserves the right not to launch the negotiated procedure.
