## **Ex-ante publicity notice in negotiated procurement procedure**

**Subject: Request for offer: “After action review of 2018 human cases of West Nile virus in Europe”  
NP/2018/PHC/10068**

### **Short description**

The purpose from this project is to identify current and emerging preparedness gaps, best practices, and lessons learned by conducting an after action review of West Nile virus transmission in at least two European countries in 2018. To be conducted through a One Health perspective, this project will help the identification of preparedness gaps, cross-sectoral coordination issues and lessons learned, thereby assisting ECDC and EU Member States to prepare for subsequent seasons of West Nile transmission.

### **Description of the procedure:**

This ex-ante publicity is the first stage of a negotiated procurement procedure below EUR 60,000 with a minimum of 3 candidates, through which ECDC may award the above-mentioned contract.

All economic operators established in the European Union, European Economic Area and Stabilisation and Association Agreements countries who are interested in providing the services described above should express their interest before **16<sup>th</sup> October 2018 16h00** (local time Sweden), by e-mail to **tenders@ecdc.europa.eu** with the same subject reference as indicated above.

In their expression of interest interested economic operators should demonstrate their ability to provide the relevant services and provide the following information:

- Name
- Address
- Contact person
- E-mail
- Description of main area of business/expertise (max 300 words)

This information will be taken into account by ECDC in order to identify potential candidates. ECDC may not invite all interested economic operators.

The Request for Offers and related documents will be provided by e-mail only to the identified candidates.

Please note that ECDC reserves the right not to launch the negotiated procedure.
