# How to log in to the ECDC Learning Portal

1. Go to the [ECDC Learning Portal.](#)

2. Select 'Log in' in the top navigation on the right.

3. Enter your email and password

       Option 1: If you already have a password for any another ECDC platform (e.g. EpiPulse)
       → Use the same email and password to log in to the Learning Portal.

       Option 2: if you don't have an existing ECDC account
       → Select 'Create an account' in the log in window.
       → Follow the instructions in the automated email you've received to activate your account.

4. Click on the 'Log in' button.

5. Optional: Select 'Forgot your password?' to reset your password if needed.
