

Ex-ante publicity notice in negotiated procurement procedure

Subject: “Subcontracting for IMI ADVANCE project: Accelerated Development of VAccine beNefit-risk Collaboration in Europe - supporting Review Panel 1, 5 and 4 work” NP/2016/OCS/5306/01

Short description

To support the European Centre for Disease Prevention and Control (ECDC) in relation to Review Panel 1, Panel 5 and Panel 4 of the Innovative Medicines Initiative (IMI) - ADVANCE project.

The ADVANCE project consists of seven work packages carried out by different partners (<http://www.advance-vaccines.eu/> and www.imi.europa.eu/content/advance). ECDC's role in the project, as the lead of Work Package 7, is to assess the implementability of solutions proposed by the other technical work packages.

Description of the procedure:

This ex-ante publicity is the first stage of a negotiated procurement procedure below 60,000 with a minimum of 3 candidates, through which ECDC may award the above-mentioned contract.

All economic operators interested in providing the services described above should express their interest before **27/06/2016**, 17h00 CET, by e-mail to **tenders@ecdc.europa.eu** with the same subject reference as indicated above.

In their expression of interest interested economic operators should demonstrate their ability to provide the relevant services and provide the following information:

- Name
- Address
- Contact person
- E-mail
- Description of main area of business/expertise (max 500 words)

This information will be taken into account by ECDC in order to identify potential candidates.

The Request for Offers and related documents will be provided by e-mail only to the identified candidates.

Please note that ECDC reserves the right not to launch the negotiated procedure.
