The Management Board of the Centre has adopted the following Decision:

**ARTICLE 1 – SCOPE**

1. The scope of this Decision is to ensure the widest possible access to the documents the Centre produces, receives or has in its possession.

2. Access to certain documents shall be refused by virtue of application of one or more of the exceptions mentioned in Article 4 of Regulation (EC) No 1049/2001.

3. The rules for the classification of the Centre’s documents are set out in the Annex to this Decision.

**ARTICLE 2 – DEFINITIONS**

1. ‘Document’ shall mean any content whatever its medium (written on paper or stored in electronic form or as a sound, visual or audiovisual recording) concerning a matter relating to the policies, activities and decisions falling within the Centre’s sphere of responsibility.

2. ‘Third party’ shall mean any natural of legal person, or any entity outside the Centre, including the Member States, other Community or non-Community Institutions and bodies and third countries.

**ARTICLE 3 – EXCEPTIONS**

1. The Centre shall refuse access to a document where disclosure would undermine the protection of:
   a) the public interest as regards public security, defence and military matters, international relations, the financial, monetary or economic policy of the Community or a Member State;
   b) the privacy and the integrity of the individual, in particular in accordance with Community legislation regarding the protection of personal data.

2. The Centre shall refuse access to a document where the disclosure would undermine the protection of commercial interests of a natural or legal person, including intellectual property, court proceedings and legal advice, the purpose of inspections, investigations and audits, unless there is an overriding public interest in disclosure.

3. Access to a document, produced, received or in possession of the Centre shall be refused if disclosure of the document would seriously undermine the decision-making process, unless there is an overriding public interest in disclosure.

4. As regards to third-party documents, the Centre shall consult the third party involved with a view to assessing whether an exception mentioned in paragraph 1 or 2 of this
Article is applicable, unless it is clear that the document shall or shall not be disclosed.

ARTICLE 4 — CLASSIFICATION OF DOCUMENTS

The Centre’s documents shall be classified in one of the following categories: public, restricted or confidential, in accordance with the Annex to this Decision.

ARTICLE 5 — REQUESTS FOR ACCESS

1. Applications for access to those Centre’s documents which are not publicly available, shall be made in writing, including electronic form, to the Director and in sufficiently precise manner to enable the Centre to identify the document(s).

2. If an application is not sufficiently precise, the Centre shall ask the applicant to clarify his or her request and shall assist the applicant in doing so, for example by providing information on the use of public registers of documents.

ARTICLE 6 — PROCEDURES

1. An application for access to a document shall be handled promptly. An acknowledgement of receipt shall be sent to the applicant. Within 15 working days from receipt of the application, the Centre shall either grant access to the document requested in accordance with Article 7 within that period or, in a written reply, state the reasons for the total or partial refusal and inform the applicant of his or her right to ask the Centre to reconsider its position in accordance with paragraph 2 of this Article.

2. In the event of a total or partial refusal, the applicant may, within 15 working days of receiving the Centre’s reply, ask the Centre to reconsider its position.

3. In exceptional cases, for example in the event of an application relating to a very long document or to a very large number of documents, the time-limit provided for in paragraph 1 of this Article may be extended by another 15 working days, provided that the applicant is notified in advance and that detailed reasons are given.

4. Failure by the Centre to reply within the prescribed time-limit shall also entitle the applicant to ask the Centre to reconsider its position.

5. The request to the Centre to reconsider its position shall be handled promptly. Within 15 working days from the receipt of such a request, the Centre shall either grant access to the document(s) concerned in accordance with Article 7 within that period, or in a written reply state the reasons for the total or partial refusal. 6. Failure by the Centre to reply within the time-limit prescribed in the previous paragraph shall be considered as a negative reply and entitles the applicant to take any of the remedies described in that paragraph.

**ARTICLE 7 – CONSULTATION FOLLOWING APPLICATION**

1. Applicants shall have access to documents either by receiving a copy, in paper or electronic format, or by consulting specific documents on the Centre’s premises. Copies of less than 20 pages or via direct access in electronic form shall be free of charge.
