

ECDC DATA DISCLAIMER (for the recipient of data)

The data and information in the data set provided here are intended for use by persons possessing technical skill and knowledge in epidemiology, surveillance and data management.

While the data is provided in good faith and to the best of ECDC's knowledge, ECDC does not commit to it being updated. Neither ECDC nor any of its employees makes any warranty, express or implied, including warranties of fitness for a particular purpose, or assumes any legal liability or responsibility for the accuracy, completeness, or usefulness of any information provided (either isolated or in the aggregate), or represents that its use would not infringe privately owned rights.

While every effort is made to ensure the data quality, the data is provided "as is". The burden of fitness of the data lies completely with the user. The accuracy of any user's statistical analysis and any reported findings are not the responsibility of ECDC. Nothing arising from the data should be taken to constitute ECDC's professional advice or a formal recommendation. ECDC is not responsible for data management after extraction and transmission to the recipient.

ECDC does not warrant that the files, the servers and the databases used for data storage, extraction, management and transmission are free of errors, viruses or bugs, and the recipient accepts that it is the recipient's responsibility to make adequate provision for protection against such threats.

In order to use the TESSy extracted data sets provided, any user shall refrain from distributing or selling the data sets to any other individual, institution, or organisation without the written consent of ECDC.

In no event shall ECDC be liable for any incidental, indirect, consequential or special damages of any kind, or any damages whatsoever, including, without limitation, those resulting from loss of profit, loss of contracts, goodwill, or business relationships, arising out of or in connection with the use of the data.

Some of the data may be protected by copyright law and may be copyright of ECDC or the Member States. In this case the recipient of data covered by intellectual property rights is not permitted to reproduce, change, remove, pass on, distribute or disseminate the data or make it available to third parties without the express written permission of ECDC. Any property rights or intellectual property rights are in no way transferable to persons or legal persons recipient of the data.
