

Harold Noël

Address: 12 rue du Val d'Osne, Santé publique France, Direction des maladies infectieuses, 94415, Saint-Maurice Cedex, France (Work)

WORK EXPERIENCE

1 NOV 2023 – CURRENT Saint-Maurice, France

DEPUTY DIRECTOR, INFECTIOUS DISEASES DIVISION SANTÉ PUBLIQUE FRANCE

- In collaboration with the Director of the Infectious Diseases Division and Heads of Unit, contributed to the strategic planning and management of division activities.
- Co-managed teams alongside the Director, ensuring effective leadership and operational efficiency.
- Facilitated and strengthened partnerships with internal and external stakeholders, including acting as the National Focal Point for threat detection and surveillance for France with the ECDC, and collaborating with research teams and scientific societies.
- Coordinated the activities of the Committee of the 43 French National Reference Centers (CNR), in partnership with the Committee President.

1 APR 2011 – 30 OCT 2023 Saint-Maurice, France

SENIOR MEDICAL EPIDEMIOLOGIST SANTÉ PUBLIQUE FRANCE

- Coordinated national surveillance programmes for vector-borne, emerging infectious, and tropical diseases.
- Provided epidemiological advice, risk analysis, and decision support to local, national, and international health authorities.
- Produced scientific reports and drafted alert bulletins.
- Supervised junior epidemiologists and trainees, including European Program for Intervention Epidemiology Training (EPIET) fellows, public health interns, and doctoral candidates. Also engaged in occasional teaching activities.
- Contributed expertise to the National Agency for Food, Environmental and Occupational Health Safety (ANSES), the High Council of Public Health (HCSP), and the European Center for Disease Prevention and Control (ECDC).

1 NOV 2010 – 31 MAR 2011 Bilthoven, Netherlands

RESEARCH EPIDEMIOLOGIST DUTCH NATIONAL INSTITUT FOR PUBLIC AND ENVIRONMENTAL HEALTH (RIVM)

- Led the pilot phase of a research project investigating the morbidity and dynamics of infectious diseases among children in daycare centers (Kinderdagverblijven Infectieziekten Surveillance Systeem, KIzSS).

1 MAY 2010 – 31 OCT 2010 Paris, France

EPIDEMIOLOGY INTERN PUBLIC ASSISTANCE - PARIS HOSPITALS

Assignment: French Institute for Public Health Surveillance (InVS)

- Replaced the senior epidemiologist in charge of the national surveillance of salmonellosis during the postponed final semester of internship.
- Investigated a national epidemic of *Salmonella enterica* subspecies *enterica* serotype 4.12:i:- linked to the consumption of dry sausage.

1 NOV 2009 – 1 APR 2010 Bilthoven, Netherlands

RESEARCH EPIDEMIOLOGIST DUTCH NATIONAL INSTITUT FOR PUBLIC AND ENVIRONMENTAL HEALTH (RIVM)

- Developed and piloted a research project on the morbidity and dynamics of infectious diseases among children in daycare centers (Kinderdagverblijven Infectieziekten Surveillance Systeem, KIzSS).
- Conducted epidemiological surveillance and investigations of foodborne and zoonotic infections.

1 OCT 2007 – 31 OCT 2009 Stockholm, Sweden

EUROPEAN PROGRAMME FOR INTERVENTION EPIDEMIOLOGY FELLOW EUROPEAN CENTRE FOR DISEASE PREVENTION AND CONTROL (ECDC)

Assignment: Dutch National Institute for Public and Environmental Health (RIVM), Bilthoven, Netherlands

- Participated in the ECDC postgraduate training exchange program in field epidemiology.
- Conducted outbreak investigations, including cases of salmonellosis and psittacosis.
- Designed a research project focused on the dynamics of infectious diseases in children in daycare settings.
- Evaluated national surveillance systems for nosocomial infections (PREZIES).
- Engaged in scientific communication and teaching activities.

EDUCATION AND TRAINING

OCT 2019 Saint-Aubain, France

DOCTORATE IN PUBLIC HEALTH - EPIDEMIOLOGY Paris-Saclay University

Thesis: The role of subclinical forms in the emergence of vector infections? The contribution of field investigations.
available on: <https://www.theses.fr/2019SACLS357>

NOV 2011 Paris, France

DOCTOR OF MEDICINE (MD) SPECIALIZATION IN PUBLIC HEALTH AND SOCIAL MEDICINE Faculty of Medicine of La Pitié-Salpêtrière, Pierre et Marie Curie University (Paris VI)

NOV 2004 – NOV 2005 Paris, France

MASTER OF PUBLIC HEALTH (MPH) Faculty of Medicine of Kremlin-Bicêtre, University (Paris XI)

JUN 2004 Paris, France

NATIONAL MEDICAL INTERNSHIP RANKING EXAMINATION Faculty of Medicine of La Pitié-Salpêtrière, Pierre et Marie Curie University (Paris VI)
